

AGENDA ITEM 10.a.iii

BP 3104 Prior Learning Assessment

RECOMMENDED DIRECTIVE: The Board of Regents hereby approves the Prior Learning Assessment Policy and implementation date is upon approval by the Board.

DISCUSSION: *Include the following information:*

BP3104 was previously titled Credit-by-Examination and provided guidance on only one type of assessment of prior learning. ACCJC revised its policy on [prior learning](#) in June 2020 on the basis that post-secondary education has change a great deal and there are many ways for students to learn. “Policies on transfer and award of credit should encompass educational accomplishment attained in extra-institutional settings.”

The college put together a small working group to review how other community colleges address prior learning assessment and revised the old BP 3104 to include additional ways to assess learning.

Curriculum Committee endorsed the policy on Feb. 15, 2022; Recruitment, Admissions and Retention endorsed policy on Feb. 16, 2022, and Executive Committee endorsed the policy on Feb. 17, 2022.
