

**AGENDA ITEM 10.c**

Cycle for Review of all College Policies

**RECOMMENDED DIRECTIVE:** All college policies are to be reviewed in five-year cycles.

**DISCUSSION:** Accreditation eligibility requirements and standards require institutions to have ongoing and systematic cycle of evaluation:

Standard IV.C.1. The institution has a governing board that has authority over and responsibility for policies to assure the academic quality, integrity, and effectiveness of the student learning programs and services and the financial stability of the institution.

Standard IV.C.7. The governing board acts in a manner consistent with its policies and bylaws. **The board regularly assesses its policies and bylaws for their effectiveness in fulfilling the college/district/system mission and revises them as necessary.**

A board-directed policy is needed to set the cycle of review for all college policies.
