

## **AGENDA ITEM 10.d**

Presentation on Human Resources Development

**DISCUSSION:** This presentation was given by Director of CTEC Grilly Jack and Executive Director of the Center for Entrepreneurship Timothy Mamangon at the FSM Resources Development conference which was held at the Pohnpei State Governor's conference room on August 15, 2018.

The purpose of the presentation was to convey to national and state leadership what the college is doing in addition to its traditional program around human resources development and how the college has developed programs to improve employability skills of our students by providing servicing to our community to secure support and guidance and providing entrepreneurship initiatives such as the F4 to showcase their skills. Also shared was how the servicing and the F4 have broadened the perspective of our students around how their respective majors link to employment.
