

AGENDA ITEM 10.i

Participation in John N. Gardner Institute for Excellence in Undergraduate Education (RMP) Retention Performance Management, and Foundations of Excellence.

RECOMMENDED DIRECTIVE: Participation in John N. Gardner Institute for Excellence in Undergraduate Education (RMP) Retention Performance Management, and Foundations of Excellence is hereby approved.

DISCUSSION: Enrollment, retention, and student success are areas of concern that needs to be successfully addressed in the short and near term. Presently, the college has no established enrollment management function to lead enrollment and retention strategies to ensure student.

To establish internal capacity and sustainability for retention and enrollment management functions, the college will engage John N. Gardner Institute for Excellence in Undergraduate Education, specifically in the development and implementation of a retention performance management process, and Foundations of Excellence evaluation process designed to improve retention and student success.

The college will seek a TA for \$100,000 to support this initiative, and the Board will approve appropriating \$100,000 from the fund balance in the event a TA is not approved.

ACTION TAKEN:

- Approved as presented
- Approved w/ modifications
- Disapproved
- Deferred to a later meeting
