

**AGENDA ITEM 10.j**

Adoption of Leadership Assessment Inventory

**RECOMMENDED DIRECTIVE:** The board hereby adopts the Leadership Assessment Inventory as the president assessment tool.

**DISCUSSION:** During the April 2015 meeting, the board revised its policy on assessment of the president and adopted procedure for conducting the assessment. At that time the board recognized that the former assessment instrument needed improvement. During its August 2015 professional development workshop the board reviewed a new instrument that is aligned with the recently adopted procedure.
