2020 Midterm Report to ACCJC

RECOMMENDED DIRECTIVE: The board hereby endorses the 2020 Midterm Report

Discussion:

The college is required by ACCJC to submit a midterm report in year four of the accreditation cycle. This report addresses progress on the actionable improvement plans written in the 2015 Institutional Self-Evaluation Report (ISER), recommendations from the visiting team for improvement, data trend analysis, and progress on meeting the project outcomes identified in the Quality Focus Essay in the ISER. The report also addresses any other issues from the last four years such as the letter of concern issued by ACCJC on August 3, 2018.

A draft of the 2020 Midterm Report went to all committees, management team, cabinet and SBA on Oct 28, 2019 for review of content with a deadline of Nov. 13 for comments. Comments were received from IT Committee, HRC, Assessment Team, Finance and several individuals. Executive Committee endorsed the report on November 13, 2019.
