

COLLEGE OF MICRONESIA-FSM  
BOARD POLICY No. 3102

---

**Major Subject Area**

Date Adopted: 2001

Date Revised: 30 April 2015

Date Reviewed: 30 April 2015

The program in which students plan to earn their degree or certificate is the major subject area. Every student is required to declare a major in order to graduate. Students who have questions or have not yet determined their career or educational goals are urged to consult with a counselor prior to enrolling or during their first semester.

As the courses in the various majors are offered in sequence over several semesters, students are required to consult with a counselor or academic advisor before changing a major to avoid disrupting their program of study and lengthening their total time in college.
