

AGENDA ITEM NO. 11.h.

INTER-CAMPUS SHUTTLE SERVICE FEE

RECOMMENDED DIRECTIVE: The Board of Regent hereby approved the Inter-Campus Shuttle Service Fee Policy.

DISCUSSION:

The Inter-campus Shuttle Service Fee Policy is being created to help generate funds to supplement the cost of the transport system for our students taking classes at both National and Pohnpei campuses. The shuttle service has gained popularity with students moving between the two campuses. The taxi services cannot provide timely transport for students to commute to classes and use college services at both campuses, such as library, counseling, tutoring, health, dining, recreation facilities, shops and other student support services.

The proposed fee is \$40.00 per semester and may be charged to student's Pell Grant or paid in cash to business offices at Pohnpei or National Campus.

The Campus Environment Committee conducted hearings and surveys with students at both Pohnpei and National campuses to gather input on the policy. The policy was endorsed by the Cabinet on December 4, 2015. The Executive Committee also endorsed the policy and recommends approval by the Board of Regents.
