

AGENDA ITEM 11.i

Waiver of BP 6032 for the 25th Anniversary Reception

RECOMMENDED DIRECTIVE: The board hereby waives BP 6032 for the 25th anniversary reception. The college is to establish and enforce guidelines for the control and serving of spirits.

DISCUSSION: The College of Micronesia-FSM is preparing to celebrate its 25th anniversary in April 2018. Among the activities planned is a fundraising reception which will also honor the many donors and sponsors for the various activities. Finding a venue that is large enough with adequate parking has been difficult. The practice court in the FSM China Friendship Sports Center seems ideal. However, the college’s policy on controlled substance-free and alcohol-free workplace policy (BP 6032) would prohibit serving alcoholic beverages.

We would like to show our deep appreciation to our many supporters and toast their generosity. The administration requests that the board waive this policy just for this occasion. The college would like to serve alcoholic beverages during the reception under strict guidelines. If approved, spirits will be served only in the reception area and carefully controlled.
