

**AGENDA ITEM 11.1**

Rename Pohnpei Campus to Career and Technical Education Center (CTEC)

**RECOMMENDED DIRECTIVE:** The board hereby approves the renaming Pohnpei Campus to CTEC

**Discussion:** The cabinet minutes of September 13, 2013, reference is made to enhancing the focus of Pohnpei Campus to become the career and technical education center. The minutes state, "President Daisy shared his vision for career and technical education center. There is enough interest to explore his idea further. He suggested having a category on future Cabinet agenda for discussions on innovations and initiatives...."

(<http://www.comfsm.fm/cabinet/pdf/2013/CABINET-13-Sep-13.pdf>) .

The idea was to bring National Campus and Pohnpei Campus closer together rather than two separate campuses. National Campus would have the academic focus and Pohnpei Campus would become the center for career and technical education for the college. Some initiatives that took place include sharing resources from the library, running a shuttle bus service between campuses, the dean of academic programs acted as the IC for Pohnpei campus for several years, and holding joint activities such as Convocation, holiday party, and professional development days. However, the campus name was never officially changed from Pohnpei Campus.

The cabinet decided at the September 29, 2017, meeting to request the Board of Regents to formally designate Pohnpei campus as Career and Technical Education Center.
