Ref: Migration Survey

Dear Director Adolph,

The college acknowledges your letter of November 20, 2013 and welcomes the opportunity to assist in the survey of students regarding their prospects for future migration. We eagerly await the report(s) and monographs that will result from this and previous studies by Dr. Michael J. Levin.

I have designated our Institutional Research and Planning Office (IRPO) as the point of contact for this project. IRPO can be reached at rschplanning@comfsm.fm or by phone 320-2480 ext. 119 or 120. Please provide the actual dates when the surveys will be conducted, so that the larger college community can be informed. If assistance is needed; please do not hesitate to contact IRPO.

Sincerely,

Joseph M. Daisy, Ed.D.
President and CEO

TO
JIMMY

Dear Mr. President:

I wish to extend this invitation to your institution to participate at a three (3) day workshop on Online Statistical Data Extraction Using REDATAM to be held in Palikir, Pohnpei at the Congress Meeting Room from 19-21 November.

The workshop is organized by the Office of Statistics, Budget & Economic Management, Overseas Development Assistance, and Compact Management (Office of SBOC) in collaboration with the United Nations Population Fund (UNFPA).

The workshop is part of the office's statistical information dissemination and utilization process. In that respect, the workshop aims to:

- 1) Provide participants with an understanding of the REDATAM tool and to extract data via the online REDATAM software, in particular those related to the FSM 2010 Census;
- 2) Provides a space for discussion among statistical data stakeholders towards enabling the production of user-relevant statistical indicators, in particular those to be extracted via REDATAM.

As we wish to extend the invitation widely to all key stakeholders while maintaining a manageable team, we kindly ask that you nominate one (1) of your **key staff who is responsible for statistical data compilation, analysis, or research.**

Please refer to the attached *Outline of the Workshop* for further detail information on the workshop objectives and schedule. We would appreciate receiving your nomination by 14 November 2013.

Subject: Invitation for Online Statistical Data Extraction Using REDATAM Workshop

Please contact the Statistics Division Staff at 320-2823/2824 should you need further details and clarification on this workshop.

Sincerely,

A handwritten signature in blue ink, which appears to read "Evelyn Adolph", is positioned above the printed name.

Evelyn Adolph
