Dear President Daisy:

On behalf of the National Government and our department, I sincerely convey our gratitude for your support and contribution to our recent National Close-Up Program, involving 52 students and staff chaperones from all the four states. Your contribution has made our national event a reality and we hope that you would continue to promote such an event for the benefit of our future leaders.

We shall look forward to our continuing efforts and working relationship to best serve the youths of our young nation. Again, I thank you for all your continuing supports.

Sincerely,

Rufino Mauricio, Ph.D.
Secretary
