Mr. Victor Gouland
Senator

Dear Senator Gouland:

Thank you for your letter of November 20, 2013. Your concern and support to financially assist the students from the Northern Namoneas Region is very much appreciated.

Although these students were unable to register during the early registration period (November 12-15, 2013), they will still have the opportunity to register for the Spring 2014 courses during the regular registration date: January 7-9, 2014. Be assured that with your financial assistance there is a substantial amount of time to clear their outstanding balances before January 7-9, 2013.

Again, thank you for your act of kindness to help secure these students' education.

Warm Regards,

Joseph M. Daisy, Ed.D
President & CEO

Mr. Joseph M. Daisy
President
COLLEGE OF MICRONESIA-FSM
P.O. Box 159
Kolonia, Pohnpei, FM 96941

Dear President Daisy:

It has come to my attention that some students from the Northern Namoneas Region, namely Jayma Goulard, Gena James, Fango Saileen, Emanuel Richie, Danis Chris, Cholymay Risenta and Angie Goulard had outstanding balances at the College of Micronesia-FSM. These students are attending the college at the National campus.

I understand that all of these students cannot enroll this semester because of their outstanding balances.

Therefore, I am requesting that your office allow them to enroll. I will be responsible to pay their outstanding balances at the college with some of public projects under the Election District No. 2, Chuuk State.

As Congress will be meeting next week, I plan to amend some public projects to accommodate the outstanding balances of these students. I hope you understand the nature of my plea.

Should you need any clarification, please do let me know.

Thank you,

Victor Goulard
Senator, 18th FSM Congress
