Subject: Letter of Appreciation

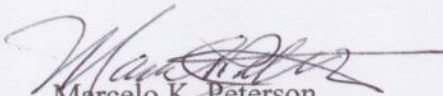

Dear Dr. Daisy:

On behalf of the 2019 Pohnpei Liberation Day Organizing Committee, I would like to take this opportunity to thank you and the College of Micronesia-FSM for your support during the busiest week of the month as Pohnpei commemorated its 40th Liberation Day. Your institution's partnership and support had tremendously assisted the good enhancement and management of this year's celebration as compared to previous years.

We humbly ask the continuity of your support as we approach the future Liberation Day events. Your support has evidently proven the statewide success of this year's commemoration.

Therefore, I respectfully ask that we keep this spirit of unity and as well maintain greatness in our efforts as we approach the future celebrations.

Sincerely,

Marcelo K. Peterson
Governor
