Subject: 2016 Rotary Club Quiz Night

Dear Mr. Daisy:

The Rotary Club of Pohnpei wishes to thank you for the support given for the Quiz Night. The evening was a fundraising success. The Rotary Club raised over \$11,000.00 and that money can now be used in our projects to benefit the community. Your generous donations were a big factor in the fundraising success.

For this school year we have awarded \$11,250.00 in college scholarships to local students, and we also have been involved with numerous other projects. We support the Pohnpei Spelling bee which sent two winners to Guam to compete in the national U.S. spelling bee. We have also contributed to numerous other smaller projects in the areas of health and education to benefit the State of Pohnpei.

Your valued support to this worthy endeavor is greatly appreciated. Without support from community businesses, our efforts would be greatly diminished. We wish to thank you for your support and hope that we can work together again in the future.

Yours in Rotary,

Steve Finnen
Scholarship Coordinator
Rotary Club of Pohnpei
