Subject: Faculty Staff Senate Report of Fall 2017

The intent of this memo is to communicate activities of the Faculty Staff Senate within the fall 2017 semester.

Two members left the college leaving two open seats in the FSS Executive. Jennifer Helieisar and Taylor Elidok were selected to fill in the vacancies.

At the beginning of this semester, FSS Executive members at each campus held general assemblies solicit concerns and/or recommendation for the proposed language on BP6021, Grievance. After reviewing the general concerns raised during the Faculty/Staff Senate's general assemblies, the executive committee held a meeting on October 4, 2017 where they concurred and recommended NOT to support the proposed policy amendment specifically because of the Senate majority's concern on paragraph 2A which restricted who the aggrieved party may or may not select to represent him/her. For this reason, the committee passed the motion to maintain policy as is. The committee has no objections to remaining changes as proposed by HR Office but felt that such changes should be incorporated into the Administrative Procedures of the above said Policy.
