Dear President Daisy,

Please accept my compliments for taking on the helm of President of the College of Micronesia – FSM; particularly at this juncture where the college is facing many challenges, with your stewardship I trust positive change is imminent.

As an owner of a recently established importing business operating in Pohnpei – FSM Supply Products (FSP), I write to you as I want my business to play a small role in contributing to the COM – FSM Endowment Fund. As I understand it, the Endowment Fund will aid in securing the college's sustainability for our children – the future caretakers of this country. I believe investing in our only post-secondary institution here in the FSM is a responsible undertaking we must do to bring about a promising future for our children. Accordingly, please find enclosed is a \$100.00 donation in support of the Endowment Fund. I hope as my business grows I want to be able to continue with the tradition of contributing to the cause of the Endowment Fund.

I wish you the best in your efforts to lead the College of Micronesia – FSM to all its successes in the days ahead.

Sincerely yours,

Finley S. Perman
