Mr. Fabian Nimea
Executive Director
Office of Compact Management
Government of the FSM
Palikir, Pohnpei 96941

Dear Director Nimea:

Attached is the College of Micronesia – FSM 4th Quarter 2007 Performance Report. The report covers major activities and accomplishments for the college during the period July 1 to September 30, 2007.

A note, the performance report for the 4th quarter is in the college's normal reporting format. The college could not input this report into the Performance Reporting System (PRS) database created by Mr. Walker due to the fact that COM-FSM was not included for FY 2007, hence the difference in format. It is our hope that in the new fiscal year the college will be able to input the report into the PRS database.

Should you need further information or clarification, please let us know.

Sincerely,

Spensin James
President
