1	The registration started late because of the students and also the staff and faculties.	10/31/2017 10:22 AM
2	Everything is great!	10/29/2017 11:57 PM

7	For real, the registration process is good, so there's nothing wrong about it to me	10/16/2017 1:40 PM
8	The time and to wait a long time for your turn.	10/16/2017 1:20 AM
9	Well the only thing i don't like about registration process is that you the business office put us on hold when it's reaches the time to register but we haven't paid the current classes when they know that we will pay the classes we're taking.	10/13/2017 11:52 AM
10	This is a great campus but, there's not enough courses to offer.	10/12/2017 3:08 PM

13	some of the negative is i really confused and some positive is i really excited	10/10/2017 12:32 PM
14	The registration process its good and easy because the staff provide directions and what to do and good guidens.	10/9/2017 4:28 PM
15	Well during the registration it takes a long time going through the process but its because of the kang students. I'm not complaining about slow process but its just that students are all around the place but its good because the staff did their best and they do their jobs right and also another faster way to register is the online registration so its good.	10/9/2017 4:25 PM
16	One negative thing I had observed from the registration process is "Poor cooperation". Sometimes, esp. during early registration weeks, academic advisors are often out of office. As a consequence, many students freely choose the classes they prefer to take, even it isn't a requirement. This is the most serious negative part about the registration process.	10/9/2017 10:53 AM
17	some negative i didn't know the quetion and some positive i want to enroll to encourage my goal	10/6/2017 1:12 PM

22	The registration was okay. Is just that i went late and i had to pay the later registration fee and the process wasnt really that fast. The process was slow, i was trying to log in my Fafsa online and the WiFi was really slow.. But everything about the registration was okay, just the fact that the internet wasn't really helping that day.. But It was Okay.	9/18/2017 12:40 PM

136	I don't like the staffs working that they messed up my schedule. They do not the differences between asking about two classes and asking to take out a class that we already registered in. I have to take a late class because of their careless act.	8/13/2017 11:55 PM
137	The registration process itself is quite organize and smoothly processing. I would recommend to have all the advisors to be present when doing the registration.	8/13/2017 11:31 PM
138	i like the process. the only problem is that the staffs are too slow and when i did my registration i got late for my class that day.Everything else is good.thank you	8/13/2017 10:32 PM
139	None.	8/13/2017 7:26 PM
140	I registered early during the end of summer semester and the person who made my schedules was careless enough to check my schedule because there were some time conflicts. So I'm hoping this wont happen again because as a freshmen, obviously it is really hard to cope with this!	8/13/2017 2:42 PM
141	They're all helpful to all students.	8/13/2017 12:17 PM

143	Need more staffs to help the students	8/12/2017 9:46 PM
144	the first day of registration was my fault because i came late and i was standing under the sun waiting for the line to shorten. then the second day i came down iw as 5th in line. so everything was ok, except of seeing the other student waiting in line like me under the sunn made me diappointed. off course there were shades students could hide under but once they leave the line they be at the end again. atleast the school shouldve provide tents and water or drink to cool off the students. so i will rate everything on the scale of 0 to 10 i will give them a rate of 8	8/11/2017 5:26 PM
145	not bad.. size mao	8/11/2017 5:17 PM
